I agree and acknowledge that:

1. Transworld International (TI) is a for-sale-by-owner marketing company. TI's marketing program involves pooling marketing & advertising resources with those of other sellers to maximize exposure to potential buyers.
2. I understand that TI will forward all qualified inquiries about my property directly to me, and allows me to negotiate the sale/rental directly. Or if I choose TI will act in a consulting capacity to help me handle offers on my property, always giving me the final decision on all offers.
3. I understand that the marketing of my property will begin immediately, and my ad will be posted within 48 hours of the authorized billing, at which time services will have been rendered. TI will assume to have successfully marketed the property within 90 days, unless I advise TI to the contrary before the expiration of the 90-day period. Upon notification, and at my option, TI agrees to continue marketing the property at no additional cost to me until sold. I also understand that my choice to discontinue marketing in no way entitles me to a refund.
4. By signing this agreement I understand the marketing fee is a One Time non-reoccurring, non-refundable, non-disputable charge.
5. I understand that my payment has been processed, and will show up on my next bank/credit card statement. I also understand that I may, within three (3) days of receipt of this contract, cancel this agreement in writing, postmarked within the time stated above and received by TI.
6. TI makes no representations as to an exact time period in which it make to sell the property. The success rate of the marketing program or the sale/rental price received is determined by market conditions, and the size and location of the property. TI is not a real estate broker and does not appraise the value of your property.
7. By signing this agreement I understand the marketing fee is a One Time non-reoccurring, non-refundable, non-disputable charge.
